I'm ready to have fun

“I’ve always been the cute one and the smart one. My sisters were jealous of me growing up and I graduated third in my high school class. When I went to college, I discovered more than my studies. I discovered boys. And I let them discover me. I got married right out of college and bored with my hubby two years later. I can’t divorce him, so I play around behind his back all the time. This is one of my trysts!

my boss is my bitch

I work in mid-town Manhattan and I love my job – hate my boss. So rather than let him get the better of me, I've made him my bitch by flashing my perfect boobs at him, sucking his bossy cock and training him with my pussy. Now if I want a three hour lunch break, no problem. And I get to go home early.

I just got married just a few months ago and I'm already lonely. For his business, my husband travels a lot for weeks at a time and I get very lonely, very quickly. Fortunately for me, his best friend, John is always there to make me feel better. At first I resist his advances, but I give into him on my 18th birthday and a few months later I was married. I sure hope that my new husband does not see these photographs.

There are days when I get up and my pussy's already wet. That's when I pick up the phone and call Anthony to come over and service me. He's very obedient and I treat him with the disrespect he deserves. The first thing I do is a little strip dance for him before I suck his cock to be sure he is very aroused. Then I'll make him lick my pussy for exactly 43 minutes before I make him fuck me. That will last for another 37 minutes and if he doesn't cum, I'll force him on his stomach, then onto his knees and I'll lick his anus and milk his cock until he does cum.

Then it's my time to cum. I order him to lick me some more and I suck his cock to arouse myself even more. I hold my pussy lips open so his tongue can reach into every part of me. If he slows down, I tell him to speed it up. If it's too fast, I tell him to do it faster. Then I make myself cum.

I walked out on my first husband within the first six months. That really made me gun-shy about marriage. Now I just fool around with anyone at hand whenever I get lonely. I was faithful to him, but found that he was screwing around on me the entire time we were married. I should have known that football players were that way. They don't have a loyal bone in their body. Only boners. Now it's my time to let loose.

between the cheeks

Chelseay and I met only a few weeks ago, but we've hit it off and it seems like we've known each other much longer. We left work late together one day late last week and headed for her favorite Chinese restaurant which was in a mall across town. We got out of the car and as she walked through the restaurant door, I checked out her kick-ass body. She had a beautiful butt that swayed nicely inside her black skirt. She liked wearing button-front shirts that were unbuttoned provocatively low. Her ample chest was always straining the button's holding power. Her long blonde hair was pinned up and showed off her slender sexy neck. Beautiful blue eyes complemented her natural eroticism.

As we ate, the conversation turned to our ex-spouses. I said I've been divorced for three years and for her it's been just over a year. We also shared that both our divorces were over and the ex was out of our lives. We shared horror stories on things that led us to divorce and laughed when we should have been crying. Before our dinner ended, I asked if she had plans for the night. She said she didn't. I asked if she wanted to walk down the mall to the theater complex and take in a movie. I promised to have her home by nine. The movie was a cute comedy set at a wedding and the trials of newlyweds trying to live together. We laughed hard at the times it reminded us of ours. After the movie we headed back to the parking lot and I opened the car door for her and she slid into the seat. As she did her skirt rode up and I got an immediate rush to my groin. By the time I walked around the car to my side I could feel my cock stirring. As I drove her home, I kept glancing over as her moved and adjusted her legs. I tried not to be too obvious but she caught me a couple times and just smiled.

> *I groaned loudly as she deep throated my man-meat and fondled my balls in her hand. My hands pushed hard on the steering wheel and my legs at the floor.*

I pulled into the driveway of her house and leaned in to kiss her. She accepted my kiss and even and she kissed me back harder. I had an immediate woody that was straining to get out of my pants. I pulled Chelseay closer to me and her skirt rode up even higher baring more of her tanned thighs. Within minutes we were kissing each other deeply and our tongues explored each other's mouth. I reached down and stroked the bare skin of her thighs as I kissed her. Chelseay responded by feeling for my crotch. As we kissed, Chelseay unzipped my pants and felt for my cock. She slipped her hand through the opening in my boxers and like that, my cock and balls were free. She took hold of my cock and stroked it. As we kissed, I tried to get my hand inside her panties but she moved away. At first I was disappointed but then she lowered her head to my lap and surround my cock in her mouth. I groaned loudly as she deep throated my man-meat and fondled my balls in her hand. My hands pushed hard on the steering wheel and my legs at the floor.

After a few minutes of excellent cocksucking and tongue play, Chelseay straightened up and smiled at me. She fixed her skirt before opening the car door. I shoved my cock back into my pants and zipped up before getting out of the car. Chelseay let us into her house and we stared kissing and undressing each other as she steered us in the direction of the bedroom. By the time we got to the bedroom door, we were naked and she grabbed my stiffie and pulled me over to the bed. In the with the moonlight streaming through the window, I could make out the outline of her beautiful breasts and hairless mons. She briefly sat on the edge of the bed and pulled the pins from her hair unleashing a cascade of blonde sexuality onto her slim shoulders.

We were so ready that I didn't even have time to get in bed with her. As I approached, she grabbed my cock and guided it into he mouth immediately. Like a hungry dog protecting it's dinner bowl, she wolfed down the entire thing with a fervor and gusto I had not seen in a woman's blow job. My knees buckled and she grabbed both my ass cheeks pulling me deeper into her mouth. I managed to lower my hand and cup her boobs and pinch her nipples and that sent a wave of pleasure through her. I'm getting closer to cumming but I don't want to. I lift a leg onto the bed and offer better access to my balls and she starts licking and playing with them so my cock gets a temporary reprieve from her mouth.

I put my foot back on the floor and gently push her shoulders back down on the bed. I attack her pussy and she opens her legs wide for me. I position myself between her legs and she throws them back behind her head like a contortionist. I lick furiously at her cunt and she squeals loudly. I put my hands under her hips and lift them a little more and I start licking her butt hole. Well, that just sends her over the top. I lower my lips to her pussy again and move my fingers into position on her anus. I gently rub around the outside, just teasing the hole enough to feel her shudder.

I pull her legs down and slide myself upwards to her heaving chest. My mouth finds her left breast and my hips slide between her thighs, my cock automatically slicing into her wet pussy like a hot knife through butter. Chelseay moans as my cock enters her and she wraps her arms and legs around me as I plunge deep into her. Her body rocked and rolled as she met each one of my thrusts in return. It was all I could do to hold on as she bucked up at me.

But it was time to switch positions and I got off her and I moved her to doggy with her ass elevated and her head on the pillow. I started playing with her pussy and her curvy ass lubricating her ass hole with her own pussy juices. From behind, I fingered her pussy and then her anus, all the while she was cooing like a pigeon in heat. I straightened up and guided my cock right into her wet cunt. I pushed it in and pulled it out and did it some more. I leaned over and played with her bouncing boobs and I could see in her eyes that she was floating away. I thought this may be the perfect time so I gently put a wet finger at her back door, rubbing and teasing her there. I pushed a finger in to the first knuckle and there was no resistance from her but there was a little from her tight sphincter muscle. I pushed it in further and with a second finger continued playing just outside the door.

I took out my finger and bent down to whisper that I was going to fuck her in the ass. She gave out a low "mmmm" and reached under the other pillow and pulled out some lube. I squirted some on her ass and some on my cock and proceeded to knock at her back door with it. Her hips rose higher in anticipation and I did not disappoint. I pushed the head in and she reached back and clutched my legs. A little further in and she dug her nails into me. A little more and she pulled my hips in to ram my thing in deep.

I eased back and then again until my love rocket (yes, I said love rocket) was sliding easily in and out in the timeless rhythm of sex. I massaged her butt cheeks and I know she liked that. My hands caressed her back and I ran them through her hair, using my nails gently on her scalp and I could tell she liked that, too. My hands slid down between her legs to play with her pussy, but her hands beat me there, so I held the back of them and helped her fuck herself. I pulled on her labia and massaged the area between her pussy and anus.

That probably proved too much for me as I felt my cock inside her ass tell me that it was time to blow. With a few more hard pumps and a scream that said "I'm cumming!" I let loose a load deep inside her ass and she immediately started to cum herself. Her pussy muscles convulsed flowing her juices all over her hands and my balls. I massaged her but cheeks making her feel better than she was. Then I took her by the hips and rolled her onto her back. I let her rest for a minute before I wiggled my way back up to her pussy and engulfed it with my mouth. I made a large 'O' shape with my mouth and latched onto her cunt. I gently sucked her entire area while my tongue was let loose inside to burrow into her pussy. Besides her sexy moans, I enjoyed the sweet taste of her wetness – and was so glad I was old enough to have sex.

She let my hot tongue run loose around her womanhood. I found her clit as hard as my cock and enjoyed the sensation of swirling my tongue around her pearl in the ocean of her wetness. Chelseay went wild and started bucking and moaning loudly. I sucked her clit as deep in my mouth as I could and Chelseay humped my face for all she was worth. I was thrilled that I was able to get her that excited and I sucked harder and played with her wonderful clit with my lips, tongue and teeth. I don't know exactly how many times but I had never seen anyone cum that hard before. I was proud of myself that I could use my cock and tongue to make her cum.

She cooed softly and rolled on her side to cuddle with me. We talked in the moonlight for several minutes as she was still stroking my cock. I told her what a great time I was having and what a wonderful time this was. She said, 'her too' as she continued to stroke my cock. Then she rolled over onto her stomach and I grabbed the lotion and squirted some out onto her butt. I rubbed it onto her cheeks and into her crack. She raised her ass slightly and I slipped a lubed finger into her rectum. She first gasped at the intrusion but then relaxed and enjoyed the stimulation.

I slowly inserted a couple fingers into her ass. My cock noticed this and instantly became rock hard again. My cock's now lined up at the back door. Gently I knock and let myself in again. Chelseay again gasped at the intrusion but she did not resist. I eased my cock into her ass until it was completely buried to the hilt. Again, I started my rear engine slowly as I had before and then let nature take over and I pumped her harder and harder.

I took out my finger and bent down to whisper that I was going to fuck her in the ass. She gave out a low "mmmm" and reached under the other pillow and pulled out some lube.

Even in the dim moonlight I could see Chelseay's ass and my cock as I fucked her butt. It was a pretty sight. One I had not seen myself for a couple years. To find a woman that seems to like or accept anal sex like Chelseay is indeed a rare thing. In the meantime, Chelseay's hands crept under our legs and she found my balls bouncing off her pussy. She grabbed them and twirled them around her hands like a juggler. I felt my body stiffen, my balls tighten and as they pushed their splooge through my cock and into her butt. I pulled my cock from her ass as I continued shooting more cum at her asshole. When I finished I collapsed on top of her and then rolled off. But I apparently didn't finish the job I started on her. Still on her knees, she continued fingering herself until she screamed out a final orgasm. I watched her ecstasy as I massaged her cheeks and she purred her way down to lay flat on the bed.

We slept together that night and in the morning I felt a warm sensation on my cock. She had wet a facecloth and wiped my pubes. Then her mouth was at it again. We wrestled away the day in bed and again that night. Sometimes it can be a lot more fun when you're divorced.

chintia

These pictures are of our fifth anniversary. That's Sergio, my husband and my best friend Chintia. She's agreed to be my present to Sergio. It's also been several years since Chintia and I have been together. But that's all in the past. The present is her mouth and mine around his beautiful cock. How can I keep such an instrument all to myself. It's meant to be shared and her mouth and pussy are ripe for sharing.

I'm so nice. I let Chintia play with Sergio for a long time. She sucked his cock, almost better than me, and let him screw her nice tight pussy. Then when he was screwing me, she diddled herself right in front of him. Then the best part was when he was fucking me, I kissed her and licked her big boobs and sweet pussy. We all came together and I think the photographer also creamed in his pants. I can't wait for tour next anniversary. Maybe he'll do something special for me. Like invite his best friend, Jack.

I may look sweet, but I'm real adventurous and kind of kinky, too. Sex has always been an adventure for me from my first experience to my last. I'm the type of girl who's all in or all out. So when Rick asked if I would trombone him, I had to look it up. When I figured out it wasn't the brass instrument he was talking about, I immediately got turned on. I started out our little session with a nice blow job and then it all progressed from there.

payton

Those of you who don't know what "playing the trombone" means sexually, if you think about it for a minute you canprobably figure it out. Rick got down on all fours and I got behind him to lick his anus while I stroked his cock. I don't know if he had ever done this before, but he sure did like it. His moaning and groaning was different, so I know he liked it a lot. Then we fucked, but by the time he got his cock into my wet pussy, he came and I pulled him out to take it in my mouth. Tasty!

Yes, I said it. I'm only lonely with my husband. I married him thinking it would be fun and games, but after the fun ran out for him, he ran out of libido and he's now a sexual dud instead of a stud. I don't know if he doesn't find me attractive anymore or if he's getting it on the side, but he's sure not getting it at home. This pictorial was not intended to happen. I was visiting Wendy when Lee was there and we started drinking, and that led to some girly smooches and next think I know we were both nekkid, putting on a show. Well, Lee couldn't keep his pants on and dropped them exposing a huge hardon that we immediately started sucking. We sent the next three hours doing every position under the sun – and each other.

When Lucy came over all she wanted was to borrow a cup of sugar. This pictorial was not supposed to happen. We were just sitting talking when she suddenly gets up and plants a big kiss on me. I have to admit I liked it and with minutes we were naked and licking each other's pussies. Lee comes into the room and sees us. We beckon him over to join us and he drops his pants with a huge hardon and we both start sucking on it. See what an innocent cup of sugar may lead to?

Just Roll With It!

Amy was wearing a black t-shirt a couple sizes too small with a college-looking logo with a big U and the word FUCK across the middle of it.

I was with a few of my buddies at Harry's Pub, a local sports bar on the south side of town. It was late Saturday afternoon and we had just watched a couple of the afternoon football games while pounding a few brewskis. Our bartender was this fantastic chick that kept us in beer, smiling and cheering as our chosen colleges teams won. Amy was wearing a black t-shirt a couple sizes too small with a college-looking logo with a big U and the word FUCK across the middle of it. When we first say down, we joked about it and kept teasing her as the afternoon wore on. Her quitting time was five and about four, we started jiving her hard about the t-shirt. Were you the 'head' cheerleader? Did you graduate summa cum laude? The stream of bad puns seemed never ending, but Amy had a quick retort for each one. She had most probably heard them all before.

After the third game of the day my buds split and I was alone at the bar. Most of the afternoon's sports fans had gone, and another crowd was coming in for the evening's games. I was headed for the door when I felt a hand come up behind me and weave it's way through my elbow. I look sideways and it's Amy. She had put on a jacket, but UCK was still visible. She said she'd buy me dinner if I wanted to since I was so nice and we tipped her really big. $135 to be exact since the three of us guys sat there all afternoon. I smiled and said sure, I'd love that. We walked a block down the street to a cute little Italian place and ordered up a large pizza with pepperoni and lotsa black olives. And by the time we finished we had downed a bottle of red wine also. We walked back to the Pub's parking lot.

After dinner she asked if I wanted to go back to her place to watch one more game and I said sure, but only for an hour or so since I had to work on Sunday morning. I followed her to her apartment, parked on the street, and met her at her door. Inside, the apartment was nice, not too girly with neutral colors everywhere. I dropped my jacket on top of her on the arm of the overstuffed sofa. She walked over to the television set and promptly turned it on. The Alabama – Texas A&M had just started. She looked back at me and professed that she was a big 'Bama fan. "Undefeated and ranked number one." she said to me. I could sense the excitement in her voice. "I just love football," she said. "That's why I work in a sports bar!"

She brought out some wine and we sat close to watch the game. We talked college football, drank and laughed. Amy knew a lot about the sport. As the first quarter ended, things began to heat up. She told me what a nice guy I was, that she enjoyed our dinner together and appreciated that came back to watch the game with her. Leaning over she gave me a little kiss close to my mouth and then planted one right on it. I responded in kind and the action started. She coyly slid a hand up my thighs and I was all over her chest, fingering her nipples through the FUCK U on her shirt. No bra. I liked that. Abruptly, she got up and announced that she had to do something before the quarter started. Mentally, I tried to calm my member down hoping she would not leave me like this. She disappeared into the bedroom and came out about five minutes later. Plopping down on the sofa, she had left her pants in the bedroom and was wearing a crimson red wife-beater and white undies with Roll Tide printed on them.

She laughed and went to the side table, opened the drawer and pulled out a fair sized dildo. She held it up in front of me and said, "This is for my pussy." I was relieved because for a moment I thought it might be going into my ass. She got some lube out and put it...

"I told you I'm a 'Bama fan." she said as she dropped to her knees right in front of me. She took my drink and put it on the side table and bending closer to me she whispers that she freshened up and wanted me to lick her pussy while she watched he game. My cock answered for me when she reached down and grabbed it. Amy pulled her panties off and sat back on the sofa. I asked if I could take my clothes off and she said that I had better. In two seconds I was naked and on the floor between her legs. I took her by the back of the head and pulled her forward. I grabbed the bottom of her shirt and pulled it off her. Her beautiful boobs were now exposed to me. I moved my hand to cup one of her breasts lightly. I bent down and slowly moved my tongue over her erect nipples and heard her sigh. I sucked them gently but firmly and felt her quiver with excitement at what we were doing. I moved down further until my head was between her legs. I slowly licked her inner thighs and moved my tongue up to her pussy. It was moist and slippery. I opened her slit with my fingers and lightly licked and sucked her clit. It became harder under my tongue and I heard her inhale noisily. I moved my tongue inside her wet hot pussy and licked her juices with a passion. It tasted salty but sweet as she wiggled on the sofa. She came with a rush; her face was crimson red from cum. She caught a glimpse of a 'Bama scoring play over my shoulder and bucked some more. I continued licking her for another two minutes until halftime.

At the half she stood up and told me to sit on the sofa. "I have twenty minutes to make you cum." she said. I told her I definitely didn't need that long, as she slowly moved her hand down and held my erect cock and knelt down and slowly licked and flicked the tip of my hard cock. Slowly she rocked back and forth until she had my cock in her mouth and slid her tongue over the head. She played my balls in her hand and I nearly spurt a load in her mouth. I wanted to blow, but knew it was too soon yet. She backed off the blow job and gently stroked my cock as she said, "I didn't want you to cum yet." "Why not?" I asked. She opened her mouth and kissed me greedily, because I want you to fuck me in the ass." she whispered as her fingernails titillated my shaft and balls.

I was totally dumbfounded. Trying to be less uncomfortable I asked if we have to finish by the start of the third quarter. She laughed and went to the side table, opened the drawer and pulled out a fair sized dildo. She held it up in front of me and said, "This is for my pussy." I was relieved because for a moment I thought it might be going into my ass. She got some lube out and put it on the sofa next to us. Amy got on the sofa on her hands and knees. She wants this doggy style. Her ass wiggled in the air as she slid the dildo deeply into her pussy and I lubed her butt hole as she moaned in anticipation. Bursting with eagerness, I slowly inserted my cock in her tight hole, an inch at a time. She gave a slight squeal as I pushed my rock hard cock into her hot butt. Grabbing both cheeks, I spread them apart. I felt her stiffen when the depth of my cock hit deep inside her. I moved slowly first, then faster and deeper as she slid her dildo in and out of her pussy. I could feel it against my cock as another orgasm built up in her, then erupted. I wrapped my arm around her, holding both her boobs in my hands as I moved in and out of her amazingly friendly anus.

I took the glass and rolled her over on her back and attacked her sloppy wet pussy with the dildo still in it. I pushed it in deep and knelt down to lick her clit. She was in ecstasy as I licked and pumped the dildo. She came one more time, her love juices flowing out...

She groaned in delight as I felt her hot skin beneath me. The teams were headed back onto the field as half-time was expiring and she again rose to orgasm. I felt my balls fill and my cock throb as my cum started to spurt from my bursting cock. Amy moved from under me and grabbed my cock in her hands and brought it to her mouth fulfilling all my sexual desires, swallowing my hot jizz as it spilled out from her lips. She licked my cock clean and washed it down with a sip from her wine glass.

I took the glass and rolled her over on her back and attacked her sloppy wet pussy with the dildo still in it. I pushed it in deep and knelt down to lick her clit. She was in ecstasy as I licked and pumped the dildo. She came one more time, her love juices flowing out of her and all over me and the rubber dick. I slowly pulled it out as I licked her incredibly hard nipples. She looked at me and then to the TV as the crowd noise got her attention. "Touchdown." she yelled. We both sat up and took in the game as I played with her tits and pussy and she played with my cock. I have to tell you, this was the most amazing game. Who won?

This year I will have been married ten years – of course it's to the same guy. He's a wonderful man that will soon be the father of my children. That is if we ever have sex again. It's not that we don't have sex, but it's so quick, or he falls asleep or whatever, anymore. Just look at me. Am I the type of woman you fall asleep on? Well, in some ways it actually turned out to be a good thing. I've gotten to know 'blue' really well. First I named him after my mood, but then when he did so well, I renamed him after his color. Either way, his sleek glass body and sexy curves make sex with him a lot of fun!

Sex with my husband was never that good. We did all the usual stuff. Once in a while he would get adventurous and stick his finger in my ass, but that was as far as he ever went with it. Little did he know how good that felt, and that I wanted more of it. When I finally told him that I liked it and I wanted to have his cock back there, that turned him on. Now, in addition to all the good cock fucks, we use toys all the time.

FANTASIES FOR SALE

I used to be a shy and innocent girl
who didn't even know the facts of life.
I got over that pretty quickly and now
I'm all about the fucks of life.
